CLEANING INSTRUCTIONS

Wood

For cleaning, use a damp cloth with water. Do not use solvents, detergents, or abrasives. Do not immerse in water and dry immediately after cleaning.

Please note that from October 2025, until further notice, 100 mm diameter silicone wheels will no longer be available.

The price difference is minimal and does not require any change to the price lists.

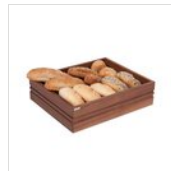

The affected trolley lines are SMILE, ITALIC and EXPOO, which will now be equipped as standard with 100 mm wheels identical to those installed on the ROMA, ANTIGRAFFIO, and GUERIDON models.

Thank you for your kind attention.
